

# LEADERSHIP COACHING BENEFITS

Performing at the highest level in any job requires coaching to hone your skills and continuously improve. Our leadership coaching process gives you the tools and knowledge to become the most effective leader you can be and serves as a catalyst in reaching leadership mastery.

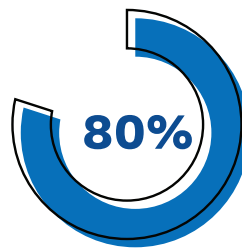

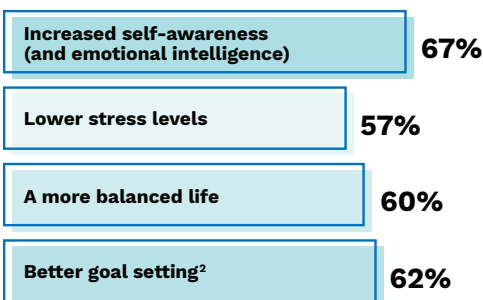

## COACHING BY THE NUMBERS

# 525%

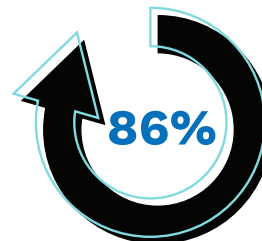

Leadership coaching provides a **525%** return on investment and significant intangible benefits to your business.<sup>1</sup>

Those who worked with a leadership or executive coach reported:

**80%** of people who receive coaching report increased self-confidence.<sup>3</sup>

Over **70%** of people coached benefit from improved work performance, relationships, and more effective communication skills.<sup>4</sup>

**86%** of companies report that they recouped their investment on coaching.<sup>5</sup>

**It's time to step into your leadership potential, with confidence.**

Joe Kiedinger is a well-versed keynote speaker, entrepreneur, author of three books on leadership: *The Brander in Chief*, *Remove Your Fear, Build Your Career* and *The Dignity Based Franchise*, blogger of Wisdom on Wednesday, CEO of Prophit Co., holds a utility patent for the technology, Dignify, and is a father of four. He was named one of the top "20 People You Should Know" by the Green Bay Chamber of Wisconsin's Bay Business Journal and is deeply passionate about his personal purpose: teaching acceptance in an unaccepting world.
